

Offiziell von der Europäischen Tischtennis-Union anerkannter Wettbewerb

Vienna, June 2014

Dear Ladies and Gentlemen,
dear Sportfriends,

The TT-Intercup for club mens-teams is now existing for 24 years. For the new playing-season 2014/15 may we introduce and also remind once again this international event.

The TT-Intercup is officially recognized by the ETTU, but in contrast to the ETTU-Cup and the European Champions League it is limited to „central Europe“. Except for those teams qualified for the ECL or the ETTU-Cup all other teams may participate without any qualification (national or international), also if they play in lower classes. Also 2 teams of a club are welcome.

May we point out some advantages:
improved public relations due to international contacts
dates on agreement during the same round

2 teams per club may participate

Consolation round „Città di Verona“ for the losers of the 1st round

2 matches and 2 different opponents are guaranteed

Interesting playing-system (6 singles + one double) for 3 to 5 players

Costs are limited and a small entry fee (home match = bed+breakfast + 1 meal for 4 persons, away-matches = travel expenses (1 PKW))

More information is published on the website www.tt-intercup.at, for example the prospectus 2013/14, also the online-entry-form. **Deadline for entries: August 14, 2014.** For further informations: tel: ++43 1 7692042 (answerphone), e-mail: oc@tt-intercup.at

We will be happy to welcome your club
Kind regards,

f.d.OK – Helmut Grammanitsch, e.h
