TT-INTERCUP
Neugebäude 5/109, A-1110 Wien
Organisations-Komitee
c/o Gertraud Simecek

Offiziell von der Europäischen Tischtennis-Union anerkannter Wettbewerb

Vienna, June 2015

Dear Ladies and Gentlemen,
dear Sportfriends,

The TT-Intercup for club mens-teams is now existing for 25 years. For the new playing-season 2015/16 may we introduce and also remind once again this international event.

The TT-Intercup is officially recognized by the ETTU, but in contrast to the ETTU-Cup and the European Champions League it is limited to „central Europe“. Except for those teams qualified for the ECL or the ETTU-Cup all other teams may participate without any qualification (national or international), also if the play in lower classes. Also 2 teams of a club are welcome.

May we point out some advantages:

- improved public relations due to international contacts
- dates on agreement during the same round
- **2 teams per club may participate**
- Consolation round „Città di Verona“ for the losers of the 1st round
- 2 matches and 2 different opponents are guaranteed
- Interesting playing-system (6 singles + one double) for 3 to 5 players
- Costs are limited and a small entry fee (home match = bed+breakfast + 1 meal for 4 persons, away-matches = travel expenses (1 PKW))

More information is published on the website www.tt-intercup.at, for example the prospectus 2015/16, including the online-entry-form.

Deadline for entries: August 14, 2015

We will be happy to welcome your club

Kind regards,
in behalf of the Organizing Committee
